

## 109. LEGISLATIVE BODIES

We support:

1. Legislation prohibiting members of the General Assembly from receiving remuneration from any taxing body for other than incidental services rendered on a part-time basis.
2. Legislation to provide for a "sunset" of all new state or federal rules issued by departments, agencies, executive order or commissions or explicit reauthorization of those rules at "sunset" which spend tax resources.
3. Limiting the Governor's amendatory veto power to only technical corrections and matters of form.
4. A restructuring of the Illinois legislative redistricting process that will be conducted by an unbiased third party, will not be based on political affiliation and prior election results, and districts will be compact, contiguous, and impartial to party or incumbency. Districts should follow county, township, and municipal boundaries as much as possible.
5. An amendment to the Illinois Constitution that addresses limiting the passage of lame duck legislation and requires a 3/5 vote on all legislation in the second year of a General Assembly session after May 31.
6. Creating term limits on both minority and majority leadership positions within the Illinois House of Representatives and Senate.
7. Creating term limits on all statewide offices and state legislators in Illinois.
